AceApp Available Now!

Dear Pardeep

It is great pleasure, that we write to invite you to become a part of testing group for our college android application. The college android app which aims to bring all the information at your convenience is under its final testing phase. You are expected to make use of the features provided like student portal, notices, events and others.

For downloading the android ACE app click the button given below. Hope you feel good with our services. Looking ahead for your valuable suggestions and feedback.
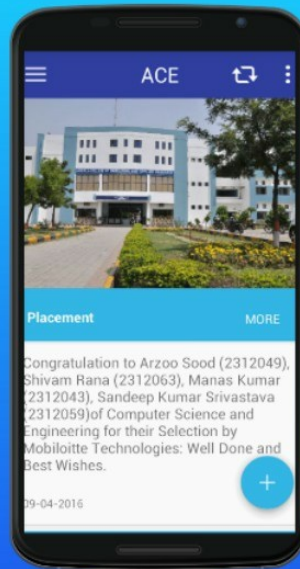

Thanking you in advance
